

**André Berger**

André is a first-year master student in Business Administration at Heinrich-Heine-University Düsseldorf, majoring in Finance. He graduated from Leipzig University with a bachelor’s degree in Economics and Management Science. In order to gain practical experience, he interned at an international insurance carrier. During a subsequent five-month stay in Chicago, he gained valuable insights into the American insurance industry and strengthened his English skills. Currently, he is a working student in the banking sector, broadening his knowledge of transformation and project management. In his free time, André is a passionate runner and plays the guitar.

**Lukas Grote**

Lukas is a second-year master student at Heinrich-Heine University Düsseldorf, specializing in Finance. In 2016, Lukas graduated with the bachelor’s degree in Business Administration from the University of Applied Sciences Düsseldorf. During his studies, he gained practical experience in management consulting and asset management. Currently, he works as a corporate credit analyst at an asset management company. Lukas spends his free time doing sports like longboarding and basketball or playing chess with friends.

**Ina Jonalik**

Ina is a second-year master student in Business Chemistry at Heinrich-Heine University Düsseldorf. After earning her bachelor’s degree in Business Chemistry in 2017, she did an internship at an inhouse consultancy and now gains further practical experience through her working student employment at an external consultancy focused on procurement and supply chain management. Ina is passionate about exploring new places and cultures. She enhanced her intercultural understanding by an exchange semester in China and a research internship in Singapore. In her free time, she likes to do sports, especially running, and to travel.

**Johann Wiebold**

Johann is a second-year master student in Economics at Heinrich-Heine-University Düsseldorf, majoring in Competition & Regulation. In 2016, he received his bachelor’s degree in Social Sciences from the University of Cologne. As an enrichment to his studies, he spent two semesters abroad, one in Winnipeg, Canada and one in Turin, Italy. Johann gained professional experience through several internships in strategic and operational departments as well as in a consultancy. He is passionate about basketball and sports in general.

**Lina Zaika**

Lina is a second-year master student in Business Administration at Heinrich-Heine-University Düsseldorf, majoring in Human Resource Management. In 2017, she graduated with the bachelor's degree in Business Administration from Heinrich-Heine-University Düsseldorf. During her bachelor's studies, she spent four months in Toronto, Canada for a research internship at an Executive Search Firm. Enriching her studies, she gained several practical experiences in Human Resources and is currently a working student in consulting for consistency GmbH & Co KG. She loves traveling and the outdoors and spending time with her family and friends.
